

TASK

In pairs, conduct research into the genre of Greek mythology. You should answer the following questions:

- 1) What are the origins of the genre?
- 2) Write down 5 examples of Greek myths.
- 3) List four typical characters you find in Greek myths, based on your research.
- 4) How does a Greek myth usually start?
- 5) How does a Greek myth usually end?

Once you've answered these questions, you need to create a handout/poster which informs year 6 students about the genre. Your handout/poster should be informative as well as visually pleasing.
